## Important Facts!

*UAV (drone) Pilots must adhere to  
FAA regulations for all commercial missions.*

*This means...*

*Current Part 107 License  
(ask to see it from all pilots)*

*No flying over people*

*No flying at night*

*No flying in restricted airspace  
without prior authorization*

*FINES for agents and brokerages up to  
and beyond \$11,000 PER IMAGE USED*
